**\*WARNING:** Each paper or fee filed by Express Mail must have the number of the "Express Mail" mailing label placed thereon prior to mailing. 37 C.F.R. § 1.10(b).

"Since the filing of correspondence under § 1.10 without the Express Mail mailing label thereon is an oversight that can be avoided by the exercise of reasonable care, requests for waiver of this requirement will not be granted on petition." Notice of Oct. 24, 1996, 60 Fed. Reg. 58,439, at 58,442.

(Petition under 37 C.F.R. § 1.313(c) Withdrawal From Issue—Issue Fee Paid [10-7]—page 1 of 2)

NOTE: "In the event that it is necessary to file a petition under 37 CFR 1.313(b) [now 1.313(c)] to withdraw an application from issue after payment of the issue fee, the PTO strongly recommends that the petition be clearly marked 'Petition under 37 CFR 1.313(b)' and be either: (1) Submitted by facsimile to (703) 308-6916; or (2) Hand carried to the Office of Petitions.

"Otherwise, it is quite possible that the petition will not be brought before the appropriate deciding official before the date the application issues as a patent.

"The most common petition under 37 CFR 1.313(b) [now 1.313(c)] is a petition [under 37 CFR 1.313(c)] to withdraw an application from issue for abandonment in favor of a continuing application to permit consideration of an information disclosure statement (IDS) in the continuing application. In this event, applicants are encouraged to file the petition under 37 CFR [1.313(c)(3)] with a [continuing application] under 37 CFR 1.53(c) by facsimile to (803) 308-6916. The petition need not be accompanied by the IDS (if the size of the IDS makes its submission by facsimile impracticable), but the petition should indicate that an IDS will be filed in the [continuing application] if an IDS does not accompany the petition under 37 CFR [1.313(c)(3)]." Notice of April 6, 1999, 1221 OG 14-15. (emphasis in original).

1. Applicant petitions that the above identified application be withdrawn from issue.

The issue fee was paid on 8/26/04 (date).

2. Reason for withdrawal from issue:

NOTE: 37 CFR 1.313(c): Once the issue fee has been paid, the application will not be withdrawn from issue upon petition by the applicant for any reason except:

(1) Unpatentability of one or more claims, which petition must be accompanied by an unequivocal statement that one or more claims are unpatentable, an amendment to such claim or claims, and an explanation as to how the amendment causes such claim or claims to be patentable;

(2) Consideration of a request for continued examination in compliance with § 1.114; or

(3) Express abandonment of the application. Such express abandonment may be in favor of a continuing application.

The reason applicant seeks withdrawal from issue of this application is:

Filing of a Request for Continued Examination (RCE)  
and submittal of an Information Disclosure Statement

3. Petition fee (37 C.F.R. § 1.17(f)):

☐ Attached is a check for \$130.00.

☒ Charge Account 19-3880, \$130.00.

A duplicate of this petition is attached.
